TOTAL	15		

Minimum semester credits required for GRADUATION: 120

*a grade of "C" or better must be earned in each of the two required Math courses in order to fulfill the math requirement and in order to enroll in each and every school of business junior-level and senior-level course. Only 4 credit hours will be awarded for each required Math course. An average of at least a grade of "C" must be earned in Accounting Principles I and Accounting Principles II.

① See the *General Education Electives Sheet* in order to determine the courses that fulfill these requirements.

② See the *Course Requirements for the Major Sheet* in order to determine the courses that fulfill these requirements.

Course names in **bold** are those courses that comprise the business core. Course names in *italics* are those courses that are required for the major. Many of the courses listed above require prerequisites. For more information see the *Course Prerequisite Information Sheet*. Any student who has enrolled in a course without the proper prerequisite(s) will be withdrawn from the course.

The course *underlined and italicized* is the Capstone for the major. This course integrates specific knowledge and skill sets acquired from previous courses within the discipline and features comprehensive assessments of cumulative student learning.

The course **underlined and in bold** is the Capstone course for the undergraduate business curriculum. This course integrates the knowledge and skills sets acquired from courses in different disciplines and features comprehensive assessments of students' competency in solving complex, interdisciplinary business problems.

SCHOOL OF BUSINESS
